“Project Management for Attaining Net Zero Carbon”

22 - 23 August 2022, India

Organized by

Indian Member of

Inaugural Address by

Dr. Anil Kakodkar (Padma Vibhushan)
Fmr. Chairman, Atomic Energy Commission
& Secretary Govt. of India,
Fmr. Head, National Solar Mission,
Govt. of India

PMA Project Managers Global Summit 2022

The Project Managers Global Summit 2022 will be an event for participants across a wide range of sectors, and will offer an excellent exposure to Best Practices, Success Stories and latest updates in Project Management, through Lectures, Presentations and Panel Discussions by Industry Stalwarts, Policy Makers, national and international Thought Leaders and Project Management Experts.

The Summit provides a global platform for sharing and adoption of new techniques and best practices in Project Management to contribute to the success of Projects being implemented by various industries like: Power, Steel, Cement, Oil & Gas, Auto and Construction for achieving Net Zero milestones and targets.

About the Summit

In the present socio-economic scenario, climate change adaptation has become the dominant theme, with the Govt of India announcing its plans for India becoming a Net Zero carbon economy by 2070. To realize this vision, industries must set out intermediate milestones, and initiate planning and execution of Net Zero Projects to achieve their ultimate goals through timely and effective project deliveries.

In this backdrop, PMA India is organizing a Virtual Global Summit (22 -23 Aug, 2022) on the Theme: 'Project Management for Attaining Net Zero Carbon'. The path towards Net Zero realization has resulted in different sectors adopting unique transformation strategies. The Power sector has seen a clear shift away from thermal power and focus on development of Renewable Energy Projects. Heavy Industries such as Steel and Cement have initiated the projectization of Carbon Capture technology-based solutions in existing and new Facilities. In the Automotive sector there is a clear focus on development of Electric Vehicles, both in the passenger and commercial vehicles segments. The Summit aims to bring out Roadmaps, Project plans, Execution strategies and success stories achieved by various industries in their transition to Net Zero Carbon, so that they can be shared and promoted across sectors.

Prominent National and International Project Management Experts, Industry stalwarts, Policy Makers and Innovation leaders will share the latest developments related to the transition to Net Zero Carbon and its impact on various key sectors including Power, Oil&Gas, Engineering, Automotive, Cement and Steel.

Day 1: Session-wise Program

Welcome Address by

Dr. A Sivathanu Pillai
President, PMA India and
Founder CEO & MD,
BrahMos Aerospace

Introductory Remarks by

Mr. Anil Razdan
Patron, PMA India &
Fmr. Secretary (Power),
Govt. of India

Address by Chief Guest

Dr. Anil Kakodkar (Padma Vibhusan)

Fmr. Chairman, Atomic Energy Commission
& Secretary Govt. of India,
Fmr. Head, National Solar Mission, Govt. of India

SESSION-1 DECARBONIZATION PROGRAMS IN MAJOR SECTORS

ENGINEERING:

"EIL Roadmap for Net Zero Carbon by 2035"

Ms. Vartika Shukla
Chairperson & Managing Director,
Engineers India Ltd. (EIL)

CEMENT:

"De-carbonizing the Cement industry"

Mr. Manoj Rustagi
Chief Sustainability & Innovation Officer,
JSW Cement

OIL & GAS:

"Transitioning to Green Hydrogen"

Ms. Sukla Mistry
Director (Refineries),
Indian Oil Corporation Ltd.

CHEMICALS:

"Transforming the Chemicals industry to Net Zero Carbon"

Mr. R Mukundan
MD & CEO,
Tata Chemicals Limited

STEEL:

"Lowering the Carbon footprint for future sustainability"

Mr. Wim Van Gerven
Director & Vice President - Operations,
AM/NS India

**"Good leaders do not take on all the work themselves;
neither do they take all the credit." – Woody Williams**

Day 2: Session-wise Program

SESSION-2 INNOVATION, LEADERSHIP & TRANSFORMATION

SUSTAINABILITY:

"Large Format Innovation Projects - Leadership for a sustainable future"

Dr. A Sivathanu Pillai
President, PMA India and
Founder, CEO&MD, BrahMos

AUTO:

"Driving the Transformation to E-Mobility"

Mr. Mahesh Babu
CEO-India & COO,
Switch Mobility

INTERNATIONAL:

"Leading the Climate Change Adaptation Initiatives - International perspective"

Mr. Romain Roux
Director - Decarbonization & Consulting,
Axens, France

START-UPS:

"Start-up ecosystem India - Innovation for Climate Change adaptation"

Prof. P V M Rao
Head-Dept. of Design,
Indian Institute of Technology, Delhi

ENERGY:

"Transforming the Energy industry towards Net Zero"

Mr. Gerd Deusser
CEO,
Siemens Energy India

SESSION-3 PANEL: Main streaming Climate Change Adaptation - Projects perspective

Panelists:

Mr. Pankaj Kumar Goswami

Director (Operations),
Oil India Limited

Mr. Sanjay Varghese

President, Solar Utility Scale,
ReNew Power

Mr. Rajnish Kapur

COO,
JK Cement

Dr. R Gopalan

Head-Centre for Automotive Energy Materials,
ARCI

Dr. Arunabha Ghosh

CEO,
Council on Energy, Environment & Water (CEEW)

* Confirmations from some speakers are awaited.

Rs. 2,000	Per Delegate 
Rs. 6,000	A Group of 4 Delegates 
Rs. 10,000	A Group of 8 Delegates 

PLATINUM SPONSORS

Rs. 5,00,000

Company name in the conference brochure

5 minutes presentation on your company in the global summit

Display of company name in the Virtual Gallery

40 participants for the global summit

eMarketing to over 100,000 industries / companies globally

GOLD SPONSORS

Rs. 3,00,000

Company name in the conference brochure

2 minutes presentation on your company in the global summit

Display of company name in the Virtual Gallery

25 participants for the global summit

eMarketing to over 100,000 industries / companies globally

SILVER SPONSORS

Rs. 2,00,000

Company name in the conference brochure

Display of company name in the Virtual Gallery

Display of company name in the Virtual Gallery

15 participants for the global summit

eMarketing to over 100,000 industries / companies globally

Who should attend:

- Senior Management Executives from all core industries
- Decision Makers from Think tanks, Policy Advocacy Bodies and Central & State Govt. Departments
- Project Professionals from Energy, Transportation, Infra, Construction and all allied sector industries
- Innovation Leaders associated with Solutions for Net Zero Carbon
- Strategic Thinkers from Institutions and Academia

ONLINE EVENT

Registration fee is non-refundable. However, alternate delegate(s) can be nominated.

NEFT/Cheque/Draft is payable to: "Project Management Associates", New Delhi.

Registration fee is exclusive of 18% GST
