

A Proud Moment for PMA India

PMA India proudly participated in a momentous event at NLC India Limited's Special Award Ceremony, held this past Saturday.

This significant occasion celebrated the outstanding achievements of industry leaders and professionals, showcasing their dedication to advancing project management excellence in India.

Key Highlights from the Ceremony

Our esteemed President, Dr. Sivathanu Pillai, graced the ceremony as the Chief Guest, lending his invaluable presence and sharing insights that inspired attendees. His contributions to the field of project management and leadership continue to drive PMA India's mission forward.

The ceremony celebrated the exceptional accomplishments of Mr. Prasanna Kumar Motupalli, Chairman-cum-Managing Director of NLC India Limited, a prominent Public Sector Enterprise in the Energy sector. He was honored with the IPMA Level A Certified Project Director Certification, a globally recognized credential that places him among an elite group of just over 40 industry leaders in India. This remarkable achievement highlights his exemplary leadership and commitment to driving impactful projects in the energy sector.

An additional highlight of the event was the recognition of 35 NLCIL executives, who successfully cleared their respective IPMA Level C and Level D certifications. The award ceremony acknowledged their dedication to honing their professional expertise, advancing their project management skills, and contributing to their organization's growth and success.

At PMA India, we take immense pride in fostering a culture of excellence in project management. Witnessing professionals achieve globally recognized certifications underscores our commitment to empowering individuals and organizations to deliver impactful development across industries. We extend our heartfelt congratulations to Mr. Prasanna Kumar Motupalli and the 35 executives from NLCIL for their remarkable achievements.

We are confident that their expertise will lead to even greater accomplishments for NLCIL and serve as an inspiration to the project management community.

This event stands as a testament to the shared vision of PMA India and NLCIL in driving professional excellence and achieving project management milestones.
