Empowering Project Excellence:
IPMA Level C Certification with NTPC Limited

[Edition: February 2025]

We are thrilled to announce the successful completion of the IPMA Level C Certification program in collaboration with NTPC Limited, India's leading power sector company.

This certification marks a significant milestone in strengthening project management capabilities, ensuring globally recognized competence in managing complex projects.

The program was designed to equip NTPC professionals with advanced project management skills, aligning with international best practices. Through rigorous assessments and real-world applications, participants demonstrated their expertise and commitment to excellence.

Congratulations to all the certified professionals! Their achievement underscores NTPC's dedication to fostering a culture of continuous learning and leadership in project management.

Stay tuned for more updates on our upcoming certification programs....
